

## TAFT IS ASKED TO FREE A COUNTERFEITER AS HE DID MORSE AND WALSH

Attorney for Salvatore Cina, III  
at Atlanta, Makes Strong  
Plea to President.

A plea that President Taft, in the last days of his Administration, accord to a poor Italian the same quality of mercy he exercised toward Charles W. Morse, the "Ice King," and Harker Walsh, the millionaire Chicagoan—both of whom were released from the Federal penitentiary at Atlanta, Ga., to save their lives—was despatched over the wires to Washington this morning.

The man for whom the request is made is Salvatore Cina, one of the following of Lupo, "The Wolf," in the notorious Lupo-Morillo gang of counterfeiters, which was broken up when William J. Flynn, as head of the local division of the United States Secret Service, sent Lupo and his confederates to prison. Cina is said to have occupied a very minor seat in the counsels of the gang. He was sentenced to serve fifteen years in the Federal penitentiary by Judge Ray in the United States District Court two years ago.

Since his incarceration at Atlanta Cina has had to undergo two serious operations. The physicians report that he is in grave danger of death unless liberated.

The telegram sent to President Taft by William M. Byrne, Cina's attorney, reads as follows:

"Washington, D. C., Sir:

"I respectfully direct your hurried attention to my application for the pardon of Salvatore Cina, Atlanta. Unless you speedily release him his sentence of imprisonment becomes a virtual sentence of death. You saved the administration of justice the disgrace of legalized murder when you rightly liberated Harker Walsh, the Chicago millionaire, when prison life threatened him with death. I want you, at the head of your public service as President, to extend the same clemency to my poor friend and client, this Italian-American farmer who has no other means of obtaining this boon except its merit.

"Thus you will prove what your friends all know, that in your concept of public duty no man is so rich as to be denied justice and none so poor as not to receive it. Your pardon of Cina will conspicuously emphasize the cardinal principle of American law—that in the temple of justice all are equal, rich and poor, high and low, native and foreign."

### \$5,000 FOR WET PAINT.

Polo Grounds Workman's Slip  
Caused Death and Heavy Verdict.

Paint that failed to dry on schedule time resulted in a verdict for \$5,000 damages in the Supreme Court before Justice Plattzek to-day. The plaintiff was Mrs. Mary Dick, widow of James Dick.

The testimony showed that while Dick was at work on the Polo Grounds stadium he slipped on paint that was supposed to be dry, but was still wet. In the fall he suffered injuries that resulted in his death. The jury decided that the street and Masonry Construction Company, which was the defendant, was negligent.

## A BRIGHT BRAIN RESULTS FROM A STRONG STOMACH

If you overload your stomach you will suffer from a dull brain. With the stomach in a healthy condition, few people are troubled with brain fog. Headaches are caused ninety-nine times out of a hundred by a disordered stomach.

The stomach is the custodian of Life, Health and Strength. If you want to keep your body in good health you must not abuse your stomach by tearing it with strong cathartics. Cooper's New Discovery directs its attack on the cause of stomach trouble—which is a catarrhal affection of the membrane. This disease is the cause of stomach trouble, which can be remedied by Cooper's New Discovery, which may be purchased at any drug store.

How to Treat the Feet.

Many men and women, and especially clerks, suffer with aching, swollen and sweaty feet. Others suffer much from cold feet, or corns and callouses. This form of misery can be readily banished by the simple daily use of antiseptic vilane powder, a specific of extraordinary virtues.

Obtain two ounces of vilane powder from any leading druggist and to a gallon of steaming water add a teaspoonful. Immerse the feet in this every night for a few weeks, ten to twenty minutes and it will soothe, heal and remove all poisons and soreness. Corns and callouses disappear and cold feet soon become unknown. Any one suffering with their feet should have this knowledge.—Advt.
